### **BGMU RECEIVES AWARDS**

BGMU's Water Treatment Plant (WTP) Chief Operator Terry Hendrick recently received the "Outstanding Operator" award from the Central Kentucky Water and Wastewater Operators Association (CKWWOA). The award recognizes members of the CKWWOA in good standing with 10 years or more of professional involvement in the water or wastewater industry who have demonstrated a commitment and the technical progression of operation, maintenance and/or water quality. Also, our Water Treatment Plant received the "Outstanding Water Treatment Plant of the Year" award from CKWWOA. This award is based on meeting regulations, number of certified operators, plant hours of operation, laboratory facility and training guidelines.
