BGMU'S Customer Assistance Program Helps Others

Bowling Green Municipal Utilities' Customer Assistance Program has helped 516 individuals with their BGMU electric bill in 2006. The money collected from the generosity of BGMU customers to the CAP program helps people through hard times and harsh weather with their utility bill. This program helps to avoid having utility service disconnected due to hardship. A big thanks to our BGMU customers who have made contributions to this worthwhile program. All donations go to a special fund administered by the Bowling Green-Warren County Welfare Center. If you would like more information about the CAP program, please contact BGMU at 782-1200.
