

**BOWLING GREEN MUNICIPAL UTILITIES
WATER-SEWER DIVISION
FIRE HYDRANT LOAN FORMS**

As of **January 1, 2008**, BGMU Water-Wastewater Engineering will be requiring all persons leasing fire hydrant meters to pay a refundable deposit on each meter before checking out. All meters will have a \$1.00/day charge for every day the meter will be checked out, plus water usage charge. These changes in our policy apply to every person and company, no exceptions. **We will also require a reading of the meter by a BGMU Employee the last week of every month in the Engineering office.** The refundable deposit will not be returned if BGMU is not able to read the meter and/or the meter has been damaged. Deposits will immediately be deposited into an operating fund by BGMU Accounting Department and held until the meter is returned and charges have been paid in full. Persons operating a fire hydrant without the use of a BGMU issued meter will be subject to a \$300 fine or up to 12 months imprisonment (KRS 514.060).
