### **BGMU COVID-19 UPDATE**

Disconnects for non-payment are still suspended, and we will notify customers seven calendar days before resuming disconnects. Customers will be notified through press releases, social media posts, and website updates. It is important to understand that failure to pay does not eliminate your bill. Even though your service will not be disconnected for non-payment, you will eventually be responsible for paying the bill in full. Customers needing to discuss payment options should call our office at 270-782-1200.
