

REQUEST FOR BIDS
BGMU Request Number 2026-25

Bowling Green Municipal Utilities (BGMU) is requesting sealed bids for the furnishing and delivery of one (1) roll-off style dewatering container for septage, vacuum/sewer-cleaning truck residuals, and similar wastewater solids at the Water Recovery Facility. BGMU's target is a nominal 25 cubic yard container. The Base Bid shall include a manufacturer-standard or manufacturer-engineered permanent dewatering/drainage system consisting of smooth, rigid perforated or slotted internal floor and wall surfaces draining to protected internal drainage cavities and outlet ports. The Base Bid system shall be designed for routine pressure-wash cleaning and shall not rely on disposable or routinely removed filter media for basic operation. Bidders shall separately price the disposable filter-liner package identified as Additive Alternate No. 1. The proposed container shall comply with the dimensional, hauling, drainage, and site-interface requirements identified in the RFB.

Bids must be received at Bowling Green Municipal Utilities, 801 Center Street, Bowling Green, Kentucky 42101 by **2:00P.M. local time on September 24, 2026**, at which time they will be opened and read aloud. Any bid received at the designated location after the required time and date specified for receipt shall be considered late and non-responsive and will not be evaluated for award. Faxed or emailed responses will not be evaluated for award. All bidders are welcome to attend.

Please mark bid envelope "BID-RFB# 2026-25 – WRF Septage/Vacuum Truck Dewatering Roll-Off Container" prior to the date and time listed above. To guard against premature opening, the envelope should bear on the outside the name and address of the bidder.
